

## Pre – Surgical Questionnaire

The questions below are extremely important to answer as correctly as possible. There is always a risk with anesthesia and surgery. Sometimes unforeseen complications do arise. We want your pet to have a good post- operative recovery without any secondary problems. To minimize the risk of complications, we start with a good history and physical exam.

**Please check yes or no for each question:**

- Is your pet eating normally? Yes \_\_\_\_ No \_\_\_\_
- Is your pet drinking water excessively? Yes \_\_\_\_ No \_\_\_\_
- Is your pet sleeping more than usual? Yes \_\_\_\_ No \_\_\_\_
